

Summer 2023

Dear Parents:

The time of year has arrived for Gulf Stream School to bring its Grandparents' contact information up to date. We need accurate emails, home addresses, and phone numbers in order for them to receive all school mailings via email, USPS, and/or text.

We are especially keen on their receiving invitations to Grandparents' and Special Friends' Day, which is scheduled for Friday, February 16, 2024. We hope your parents will save the date and enjoy the day with their grandchildren on campus for this special occasion.

In order to include your parents in Grandparents' and Special Friends' Day and as recipients of our GSS publications, we ask that you complete the below contact information and return it to the Development Office by October 1<sup>st</sup>.

Thank you for your help, and please do remind your parents and friends to save February 16, 2024 for Gulf Stream School.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gray Smith', with a stylized flourish at the end.

Gray Smith, Ed.D.  
Head of School
