WAYS OF GIVING

GIFTS OF CASH*

The School will gratefully accept checks made payable to Gulf Stream School or charges to a Visa, MasterCard, or American Express card. Donors are entitled to an income tax deduction for the year the gift is made.

GIFTS OF SECURITIES*

The School gratefully accepts readily marketable, publicly traded securities and in some cases, unregistered securities. Donors who give appreciated securities benefit in two ways. First, they pay no capital gains tax on the amount of the increase in value and secondly, their income tax deduction is equal to the average price of the security on the day the gift is made.

Many companies offer **matching gift programs for gifts made by employees (or the employees' spouses) to non-profit organizations. These programs are a great way to increase your contribution to the School. Inquire of your employer whether your company offers a matching program, and if it does, ask them to give you the proper forms. You will receive credit for the original gift and the matching gift. Both you and the company will be acknowledged in the Annual Report.*

GIFTS OF REAL ESTATE

The School may accept gifts of real estate (homes, lots, commercial, or industrial property). The tax deduction equals the fair market value of the property at the time of the donation. Additionally, the donor avoids the payment of capital gains tax.

BEQUESTS AND TRUSTS

Planned Giving is an excellent way to ensure a bright future for the School. Join The Heritage Society by including Gulf Stream in your estate plans. Those who make a provision for Gulf Stream in the form of an irrevocable bequest or trust are eligible. Please notify the Development Office so we can acknowledge your generosity and add your name to our records.

GIFTS OF LIFE INSURANCE

Donors may transfer ownership of an existing life insurance policy. The tax deduction equals approximately the current cash surrender value. You could also purchase a new policy, making the School the owner and beneficiary. In both cases, you are entitled to an income tax deduction for the premiums you pay each year. A gift of life insurance qualifies the donor for The Heritage Society.

Prospective donors are encouraged to discuss their charitable giving plans with their legal, financial, or tax advisers. Gifts are deductible as provided by law. Please contact the Development Office at (561) 276-5225 if you have questions.

JOHNSTON SOCIETY

THE JOHNSTON SOCIETY was established by the Gulf Stream School Board of Trustees on September 14, 2000, to recognize individuals and families, foundations and corporations that have enabled the School to grow into the outstanding educational institution that it is today. Johnston Society members are those whose cumulative gifts to the

School total \$25,000 or more. In the Spring of 2006, the School introduced recognition levels within the Society. The Johnston Society takes its name from Ada Belle and William Johnston who founded GSS in 1938 and honors those who, through their generosity, continue the vision of the Johnstons for this "little School by the sea."

ENDOWMENT REPORT As of June 30, 2022

“A strong endowment ... preserves our past ... protects our future ... provides for our faculty ... allows greater access for all children to our educational programs ... and forever strengthens Gulf Stream School’s ability to prepare young people for successful and meaningful lives.”

A school’s endowment is its hidden strength. It ensures that the school will be sustained well into the future. In present terms, it helps minimize tuition increases that might otherwise be required as educational costs rise. The National Association of Independent Schools has developed guidelines for ensuring sound schools not only in terms of academics, athletics, and character development, but also with regard to the fiscal underpinnings so essential in the support of the finest educational programs across the nation. Gulf Stream School has a healthy endowment thanks to the generosity of so many members of the Gulf Stream Family. Contributions to existing endowments are accepted regularly and added to the principal of the fund in accordance with the donors’ wishes. Naming opportunities are still available for those interested in establishing an endowed fund to honor or memorialize a student, faculty member, or family member. For more information on how to establish an endowed fund for Gulf Stream School, please contact the Development Office at (561) 276-5225.
